

NOTICE!

NEW GATES. NEW HOURS.

NAS Brunswick's **Front Gate** will be closed for several months beginning May 3rd due to construction. On Friday, April 30th, a new, permanent truck and car entrance, **Golf Course Gate**, will open off Route 123, across from the end of Middle Bay Road just inside NASB's Golf Course, manned 24 hours a day. Vehicle passes and stickers will be issued only at this new Golf Course Gate.

To accommodate car traffic with military stickers during construction, the **Coombs Road Gate** off of Route 24 will be open during working hours from 6:00 am to 5:00 pm Monday - Friday. No commercial trucks will be allowed to enter through the Coombs Road Gate. Additionally, the **Forrestal Avenue Gate** off of Route 24 will be open to school buses and emergency vehicles only until Housing construction is complete in June or July. Once opened, the Forrestal gate will be open during working hours to 'stickered' vehicles only. Dozens of State of Maine orange highway signs throughout Brunswick will direct vehicles to each gate.
