

# The Casco Bay Navy League Invites you and your guests to join us in the celebration of:

The 240<sup>th</sup> United States Navy Birthday  
At Maine Maritime Museum, 243 Washington Street Bath, ME  
Saturday October 17, 2015

Special Guest Speaker: RADM Dave Gale USN,  
Program Executive Office (PEO) Ships.

Admiral Gale is no stranger to Bath. He was the commissioning Commanding Officer of USS MASON DDG 87, built and delivered by BIW and commissioned in April 2003. He also served as Executive Officer of USS THOMAS S. GATES CG 51, a Bath built Naval ship. Admiral Gale is currently serving as the Program Executive Officer (PEO) Ships. As PEO Ships RADM Gale is responsible for the development and procurement of the U.S. Navy's large surface combatant and support fleet, translating warfighter requirements into combat capability. One of the Defense Department's largest acquisition organizations, PEO Ships manages the design and construction of destroyers, amphibious ships, special mission and support ships, as well as a wide range of boats and craft for U.S. agencies and foreign military sales. PEO Ships is organized into acquisition program offices each responsible for specific product lines, as well as an acquisition management support office and an electric propulsion technology office. Among other ships RADM Gale oversee the procurement and completion of DDG 1000 ZUMWALT class and DDG 51 ARLEIGH BURKE class destroyer, which are being built at BIW.
