

T-shirts for Troops

The 126th FRG is selling Witch Doctor t-shirts with the goal of being able to send a shirt to every soldier that is deployed with the 126th MEDEVAC unit as a gift for the holidays. For each shirt you purchase we will send a shirt to a soldier. You also have the option of purchasing a shirt for a soldier at a reduced price and send a personalized message with the shirt. The shirts are offered in three different colors: green, tan, and gray. The Witch Doctor patch is on the back of the shirt and on the front of the shirt it says "We Support C. Co. 1-126th MEDEVAC". Soldier's shirts will not have the wording "We Support".

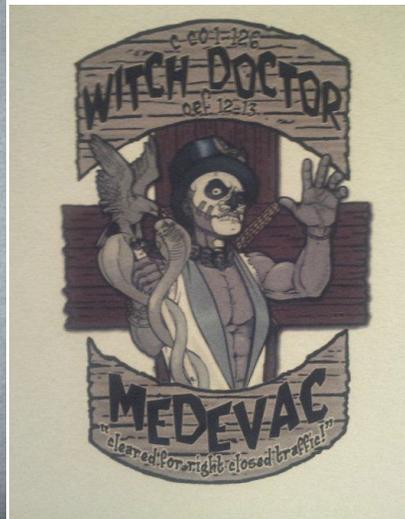

The backs in all three colors:
