

Vet Clinic

New Location

in the Racquetball Court, Fletcher Fitness Center

Walk-in clinic no appointments

This clinic is for basic shots with items like Heart Guard and Front Line for sale.

Although not anticipated, there may be up to a 45 minute wait.

Please bring animals past shot records "if they have them" to the clinic.

They are not needed for services, but are appreciated.

For military members on active status and their dependants, retired military and their spouses and any dependant they have that are still receiving benefits with ID card, active guard "on active status" and activated reservists.

All customers that wish to purchase products or wish to have their pet vaccinated will need to present their ID before services are given.
