

# **REMEMBER ME?**

**IF YOU HAVE SOME TIME  
TO INVEST IN THE FUTURE,  
THIS DEAL MAY BE THE  
BEST YOU'LL FIND.**

My name is Steve Aucoin and I am Director of the North End Boys and Girls Club. We are a unit of the Alford Youth Center serving residents of public housing and Waterville's North End. In a couple months, we will begin to offer children some use of the Waterville Armory. The times and activities are not determined yet. We will wait until after we meet with parents and kids in the community. It will only be a few hours to begin with, maybe 9 – 12 on a Saturday mornings. But, we do need one thing.....

## **WE WILL NEED VOLUNTEERS AND THAT MAY BE YOU!**

We are looking for 6-8 Guard members to serve as a security guard for the facility and/or as mentors for these children. You would be contracting for 3 hours a week to provide physical security protection of the building while the events are taking place. Your presence may also establish repore with the area kids who would benefit greatly from your guidance. All activites would happen at the Waterville Armory..

Beyond helping kids grow; beyond providing specific knowledge; beyond being a good role model, there is more. Every Guard member who signs on will receive a Free Family Membership at the Alford Youth Center. That alone is worth \$450 per year. The membership includes:

### **Adult Activities**

- Free Lap Swim
- Free Water Aerobics
- Free Aquatic Therapy
- Free Martial Arts Classes
- Free Cardio, Flexibility and Strength Training Classes
- Free Pickle Ball
- Free Walking Program

### **Youth Activities**

- Free Toddler/Preschool Time

### **10 % Discounts**

- Summer Camps

You can see that, with the discounts, the Family Membership is worth much more than the face value of \$450.00. We have tried to create a situation where everyone wins and we think it's this.
